

Download & Print Your 2017 Giving Statement

If you have already created an online account through event registration, online giving or children's check-in, skip to the back side of this program. If you do not have an account, follow the instructions below to create one.

STEP 1: Go to pacificcoastchurch.org and click on **Give** in the top right corner, and then **Give Now**. Click on **Sign up** in the bottom, right corner.

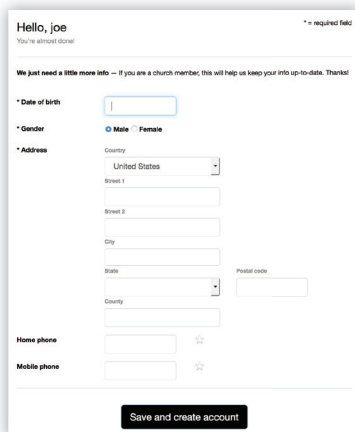

STEP 2: Enter your first and last name. Enter the email address that we most likely have on file. Create a password and re-enter it for confirmation. Then click **Create an account**.

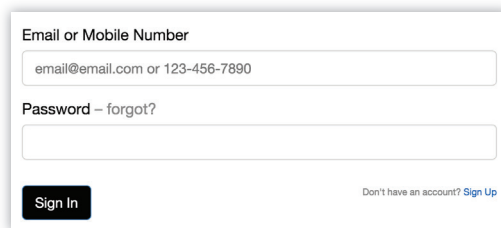

You will receive an email with a link to confirm your email address. Find the email and click the link to continue.

STEP 3: Fill in the form with the rest of your information. After completing the form click **Save and create account**. This will allow us to match your online account with your previously given contributions. If you do not see this form, then the system automatically matched your login info to your current record.

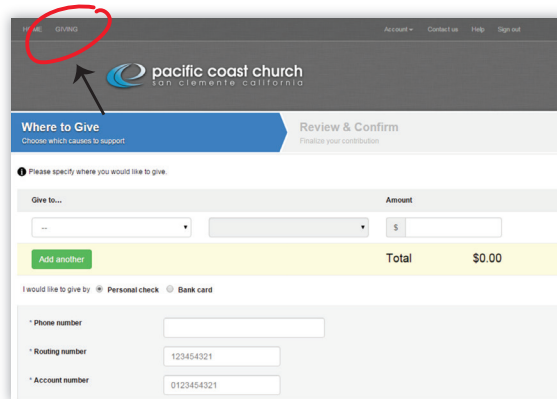

Now that you have an account, you can download & print your 2017 Giving Statement.

STEP 4: Go to pacificcoastchurch.org and click on **Give** in the top right corner, and then **Give Now**. Enter your Email Address & Password.

STEP 5: Click on **Giving** in the top left corner.

STEP 6: From the History Tab, change the year to 2017 and click on the **View** button. Click on download statement. A PDF file is created that you can save and/or print.
